

PROFESSIONAL SOLUTIONS

# H.D. GENSOLVE

## High Grade Water Based Detergent

Contains: w/v Butoxyethanol (10-30%); Sodium hydroxide (<2%). Other ingredients classified as non hazardous at the concentrations used according to the criteria of Safe Work (Australia(-)).

Heavy Duty Gensolve is a water soluble solvent degreaser, formulated to remove dirt, grime, body fats, oils and grease.

Heavy Duty Gensolve can quickly penetrate into soiled areas, removing dirt, oil and grease from metal, concrete and other hard surfaces.

Heavy Duty Gensolve can be used on vehicle engines, concrete floors, in garages, engineering plants and machinery workshops.

Heavy Duty Gensolve is excellent for use in greasy kitchen situations, on greasy floors, soiled areas, grimy surfaces, shower recesses, amenity blocks, tile floors etc.

Heavy Duty Gensolve is highly alkaline - so be careful. Avoid contact with skin and eyes. Read safety instructions on label before use.

### H.D. GENSOLVE:

- ✓ Water Soluble Solvent Degreaser
- ✓ Value for money
- ✓ Highly alkaline
- ✓ Concentrated
- ✓ For commercial or domestic use
- ✓ Bio-degradable
