BRITE N WHITE

Heavy Duty Spray Dried Lemon Detergent Powder At The Right Price

Contains: Alkaline Salts 120 g/kg,
Sodium Percarbonate 100 g/kg

Brite & White is a heavy duty, lemon scented, detergent powder for commercial and domestic washing machines - manufactured by the "spray dried" method. It has been specially formulated to provide excellent results in all water conditions. This laundry detergent powder is carefully blended from selected ingredients to ensure it will remove normal soils along with most stains. Active oxygen to assist the product to take out stains in the wash. Optical brighteners and polymer additives ensures whites are whiter and colours and brighter.

Laundry Advice:

- * The quantity required will vary depending on the nature and degree of soiling, as well as wash temperature.
- * Avoid tipping powder onto dampened clothes - sprinkle directly into wash water and dissolve fully before adding clothes. Better results are always obtained with warm/hot water.
- * Read and follow garment washing instructions.
- * Wash colours separately
- * Not recommended for silks and woollens.

Brite N White Laundry Powder:

- ✓ Removes stains - active oxygen
- ✓ Fresh Lemon Fragrance
- ✓ Anti Bacterial - active oxygen
- ✓ Septic Safe
- ✓ Biodegradable
- ✓ Non Corrosive
- ✓ Spray dried formulation - fluffy and light
- ✓ For domestic or commercial use
- ✓ For front loading and top loading machines
