

PROFESSIONAL SOLUTIONS

# PEACH HAIR & BODY WASH

Contains: Cocamidopropyl Betaine (0-10 %) Coco diethanolamide (0-<10%)  
Sodium laureth Sulphate (0-<10%)

Peach Hair Shampoo & Body Wash has been specifically formulated to be used as a hair shampoo and all over body wash by the whole family on a daily basis. It has a balanced blend of mild wetting agents (derived from coconut oil), amphoterics and emollients for optimum performance and free rinsing characteristics.

Peach Hair Shampoo & Body Wash has a pH which is buffered to a constant 5.5 which is the natural pH of the human skin. Traditional soap products are alkaline by nature (pH 9-9.5) and thus tend to be rather harsh on skin and hard to completely rinse off. Dermatologists routinely advise against the use of soaps, especially for people with sensitive skin.

## Peach Hair & Body Wash

- ✓ Cleans and softens hair giving body and bounce
- ✓ Suitable for use on all type of hair
- ✓ Non alkaline to protect hair and skin
- ✓ Contains extra soft moisturising elements
- ✓ Biodegradable
- ✓ Non-toxic
- ✓ Non-corrosive
- ✓ For domestic or commercial use
- ✓ Phosphate free
