LEMBRITE

Heavy Duty Lemon Detergent Powder For Top Loading And Front Loading Machines

Contains: Alkaline Salts 750 g/kg,

Lembrite is a heavy duty lemon scented synthetic detergent powder for use in both commercial and domestic machines. Designed for both top-loaders and front-loaders.

Lembrite is specially formulated to provide excellent results in all water conditions, both hot and cold. Lembrite contains water softeners to allow it to work better and quicker in hard or soft water. Lembrite contains a special selection of detergents and grease cutters for the removal of normal soils along with many stains. Lembrite contains optical brighteners to ensure maximum whiteness retention and brightness.

Lembrite is safe to use in all domestic washing machines however - Lembrite is a dense concentrated product, so care should be taken to avoid excessive usage.

Lembrite Laundry Powder:

- ✓ Aggressive cleaning power
- ✓ Fresh Lemon Fragrance
- ✓ Removes stains
- ✓ Septic Safe
- ✓ Biodegradable
- ✓ Non Corrosive
- ✓ Contains optical brighteners
- ✓ For domestic or commercial use
- ✓ For front loading and top loading machines
