

PROFESSIONAL SOLUTIONS

MAJESTIC

Total Washroom Maintenance

Contains: Alcohol, C-10-C16 Ethoxylated (1-5%).
Other ingredients classified as non hazardous at the concentrations used according to the criteria of Safe Work Australia

Majestic Total Washroom Maintenance is a new generation cleaner with a unique mix of orange oil and pine oil solvents.

Majestic contains no phosphates, no mineral acids, no icinol/glycol solvents, no biologically "Hard" ingredients.

Majestic's unique solvents result in easy and effective removal of grease, body fats, soap scum and hard water scale and stains. Majestic's clinging action coupled with its natural fragrance makes it the ideal product for bathroom use.

Majestic is a strong detergent which is ideal for use on toilets and urinals, showers, baths and glass screens, benchtops, walls, sinks, taps and floors.

UNIQUE CLEANER WITH ORANGE OIL & PINE OIL SOLVENTS

Directions for Use:

TOILETS & URINALS. Apply undiluted, product will cling to the surface. Lightly brush or leave to work by itself. Stainless steel areas may require a hand pad to assist build up removal. Flush surface with water.

SHOWERS & BATH- Apply undiluted then sponge with a scourer. Rinse off once the shower or bath has been cleaned thoroughly with product. Use on a regular basis as a maintenance cleaner at the rate of 100 ml in 1 L of water, then flush surfaces with water.

BENCHTOPS, WALLS, SINKS & TAPS: Dilute 100mls in 1L of water. Spray areas and wipe with a sponge or cloth.

FLOORS: Dilute 10 - 20 ml in 1L of water and mop on tiled floors.
