

PROFESSIONAL SOLUTIONS

WB3 CONCENTRATE

QUICK BREAK DEGREASER

Contains: Alkylbenzene sulfonic acid (1-5%); 2-Aminoethanol (1-5%);
Modified fatty amine ethoxylate (1-5%).

A product specially formulated for use on trucks, heavy and light mining equipment, engine degreasing, semi-trailers, buses and heavy machinery to remove the most stubborn grease and grime build-up with the minimum of manual effort.

WB3 is completely safe on all types of paintwork and aluminium surfaces. The product is free of hydrocarbons, caustics, solvents and harsh chemicals -designed to be non-flammable and low odour for safe underground use or when ventilation is poor.

WB3's quick break formulation allows hydrocarbons to separate from waste waters quickly and efficiently for safe removal.

WB3 Concentrate Quick Break Safety Degreaser:

- ✓ A unique blend of cleaning agents for optimal results
- ✓ Non-flammable
- ✓ Non-combustible
- ✓ Non DG
- ✓ Not a scheduled poison
- ✓ Bio-degradable
- ✓ Super Concentrated
- ✓ Quick break formulation
- ✓ Performs in hot or cold water
- ✓ Designed to handle hard water
- ✓ For domestic or commercial use
- ✓ No caustics, no hydrocarbons
- ✓ No solvents - no VOC's

WB3 Concentrate Quick Break Degreaser

NON FLAMMABLE & LOW ODOUR FOR SAFE UNDERGROUND USE

Directions for Use:

Step 1: Dilute 1 part WB3 Concentrate with 3 parts clean water. This will result in WB3 degreaser, which can be further diluted as follows:

Equipment Degreasing: 1 part WB3 to 2 parts water.

Vehicle Washing: 1 part WB3 to 50 parts water.

Routine and Janitorial Cleaning: 1 part WB3 to 50 parts water.

Workshop Floors: 1 part WB3 to 2 parts water.

WB3 should be applied to the vehicle by a detergent dispensing pressure sprayer at the recommended dilution. Can also be applied by hand with a cloth or soft brush - just dilute in a bucket with clean water.

*Note: Cool down hot metal surfaces by hosing with water. Apply the product with a sponge or clean soft cloth. Using a hose, rinse off completely. No harm will result if the product dries - however do not allow to bake in the sun.
